Dear Parents and Carers,

Next Tuesday (21st October) is our Open Afternoon to which you are all warmly invited. The aim of the evening is for you to celebrate the achievements of your children as they share their work with you. Books will be out on tables and you can come at any time between 15:40 and 17:00, with your children, to look through their work in books and on walls. Class teachers will be in the classrooms if you would like to take the opportunity to have an informal chat with them. Please bear in mind though, that there might be particularly busy “peak” periods (especially straight after school) when books (and teachers!) may not be as accessible as later in the afternoon. We do not want anyone to go away with unanswered questions, so if you would like to talk to your child’s teacher in a more private setting, then please follow the usual procedure and arrange a meeting through the office or via email, at a mutually convenient time.

Year 1 will be based in what was the Year 3-4 classroom (end of the corridor on the right) as gymnastics club is taking place in the hall. This room will become their new home once the building work has finished. As Mr Shaw is taking pupils to a sports fixture that day, he will offer an alternative date to Year 6 parents and communicate this to you directly.

Open evenings are something that many primary schools offer to parents in place of the first parents’ evening of the year, as they are a more informal way of finding out about how your child has settled and the progress they have made. Please note, for those of you who prefer a more formal structure, the Parents’ Evenings in the Spring term will still follow the traditional 10 minutes face to face with your child’s class teacher, without your child present.

Yours faithfully,

Claire Arnold
Headteacher
