NSPCC Kids Safety Net Online Workshops For Parents/Carers

The remaining parent/carer online safety workshops delivered by the NSPCC are taking place on the 5th February and 20th March 2024. These 45 minute workshops are FREE and can be accessed by Zoom and are designed to help parents/carers to:

- Understand how children and young people access the online world
- Explore a range of resources and tools that can be used to help keep children and young people safe online
- Have informed, constructive and positive conversations about online safety

If there are any opportunities to promote these workshops or to share the details via the School's Parent Hub or social media, this would be most appreciated.

Monday 5th February 2024 – 6pm to 7pm.
