

Dear all,

Due to Prince William transition days, which affects many of our opponent's team, Thursday's football will now be later than previously advertised. If you are coming to watch, then please collect your child at the end-of-the day (together with any siblings) and please make your way to King's Cliff Active (not the school), Kingsmead, Station Road, Kings Cliffe, PE8 6YH

Any remaining children will be transported by myself, Callum, other members of staff (if needed) and parent volunteers. We are aiming for a 4/4:15 for the first game which will be followed by the second game.

For those not coming to watch, we should be back in Elton for around 5:30 ish!

As this is the last game of the season, please could all kit be washed and returned to school next week. The boys will be wearing new shirts tomorrow.

Many thanks for your support during the season.

Mr Shaw and Callum
